SIR,

In forwarding herewith for information the file of papers relating to the extraordinary pension sanctioned on behalf of one Peer Sabi in Government Order No.8975-6/P&A.676 of the 11th December 1901, I have the honor to state that a pension of Rs.4/-per month was sanctioned from the 16th January 1899 till the pensioner attained eighteen years and that in the copy of the pension application appended to the Government Order the pensioner was stated to be 6 years old as per Inspector General's letter dated 27th September 1900. This was construed to be the age of the boy at the time (16th January 1899) when his father died and pension commenced. But as the exact date of birth remained unknown, the Treasury Officer was requested in this office docket No. 5545 of the 20th March 1911 to ascertain and intimate the date on which the pensioner completed his 18th year and to discontinue payment of pension from that date. The Medical Certificate granted by the District Medical and Sanitary Officer, Mysore, goes to show that the pensioner was only about 14 years old on 11th November 1911.

As the age of the boy ~~is~~ given ~~variously~~ in the above statements differs from that stated in the accompaniment Kltr order sanctioning the pension I have the honor to request ~~that~~ the orders of Government as to the age which is to be adopted and the date upto which the pension is to be paid.
